2. From the sub-division ~~on~~ sketch received from the Collector, the Board observes that the Mrs. Crofton's Ladies Recreation Club, Bellary, which was granted a licence for the use of one acre of land, comprising S.No.432-6-B-2-B, in G.O.No.Ms.277 Revenue, dated 20-11-35, is occupying a site not conforming to that shown in the plan annexed to that licence. The Collector has reported that as it was found inconvenient to construct the compound wall of the club building parallel to the road in S.No. 432-6B-1, a triangular plot of land on the northern side of S.No. 432-6-B-2-B was given up by the club in exchange for an equal extent of land to the south of S.No.432-6-B-2-B, and that the original sub-divisions were therefore cancelled. The - - inconvenience referred to is not a valid reason for the club taking over or being given land not included in the extent for which a licence was granted by the Government, without their previous approval. The attention of the Collector is being drawn to this irregularity.

As the club has already constructed its building and is occupying S.No.432-6-B-2-B as shown in the enclosed revised

sub-division sketch, the Board requests that the Government may be pleased to direct that the revised sub-division sketch be substituted for the plan referred to in paragraph 1 of the licence annexed to G.O.No.Ms.2775 Rev., dated 20-11-1935.
